

Moving always toward the love of God and love of neighbor without distinction

The Sisters of St. Joseph of Carondelet and Consociates

are a community committed to continuing Jesus' mission in the world
by responding to the needs of our time.

In the spirit of the Gospel we work toward right relationships with God, persons, and Earth.

We strive to foster the common good through

- advocacy;
- creative arts;
- education;
- healthcare;
- social service; and
- spirituality.

Strength for this mission comes from

- fidelity to community;
- prayer;
- our practice of "sharing the heart"; and
- celebrating the rituals of church and community.

The Friends of St. Joseph

Moving always toward the love of God and love of neighbor without distinction,
the Friends of St. Joseph are individuals, couples and families
who share the mission of the Sisters of St. Joseph and Consociates by

- participating in existing CSJ ministries;
- continuing our own chosen ministries;
- creating new opportunities to connect with one another; and
- engaging in a ministry of prayerful support.

We live the CSJ charism within the context of our own lives and responsibilities.

We strengthen and support one another

by coming together as community where we can pray,
share our experiences, plan, organize, laugh, and look toward the future.
